Lincoln Rail Trail

Lincoln is the gateway to many outdoor adventures. The Christchurch to Little River Rail Trail follows Edward St before entering Liffey Spring Drive and emerging into the wetlands at the southern end of Brookvale.

The Port Hills are full of walking and cycling tracks and only minutes' drive or bike-ride away or walk your dog around the wetlands.

You can drive to the French settlement town of Akaroa in less than an hour, delighting in artisan local produce, cafes, restaurants, and bars with beautiful accommodation options.

Or choose from the multitude of bush walks, mountains, beaches, and lakes to visit all within an easy 90-minute commute.
